

Azalea Bar & Kitchen
Official Response COVID-19

From: Joel and Jeannine Sowers

Due to the unprecedented events surrounding the COVID-19 pandemic, and following the instructions outlined by the Governor of North Carolina, Azalea Bar & Kitchen will remain closed until March 31st, 2020.

Out of an abundance of caution, we will not be offering carryout or to-go service during this period. We care about our employees, their families, and our community, and we acknowledge the disruption and impact these decisions will have on our dedicated staff and loyal customers.
